D-Fend® Water Trap, Green
Item No. 881312-HEL
Condition New
Description: The D-Fend® Water Trap is designed to protect the respiratory measurement system from viruses, water, mucus and bacterial contaminants, which can harm the gas module and affect measurement accuracy. The sampled gases are transported from the patient into the D-Fend® water trap. The D-Fend® water trap contains a GORE® TFE membrane which
