

# Easy-Fil Vaporizer Bottle Adapters

Easy-Fil vaporizer bottle adapters from GE Healthcare are tested and verified to function with compatible GE Healthcare vaporizers. The adapters perform optimally in filling vaporizers with the associated anesthetic agent while also offering the highest strength, quality and durability product.

- **Strength:** New stringent testing completed to ensure part consistency for the highest strength possible
- **Quality:** All parts are 100% leak tested with three different methods to ensure bottle to vaporizer seal
- **Durability:** Tested to over 1,000 fill cycles while still compliant with all other testing to ensure long lifespan

## Product compatibility

- Easy-Fil Bottle Adapter, Vaporizer, Isoflurane: All isoflurane vaporizers with Easy-Fil filler
- Easy-Fil Bottle Adapter, Vaporizer, Halothane: All halothane vaporizers with Easy-Fil filler
- Easy-Fil Bottle Adapter, Vaporizer, Sevoflurane: All sevoflurane vaporizers with Easy-Fil filler
- Aladin 2 Cassettes used to deliver isoflurane and sevoflurane anaesthetic agents

Our equipment.  
Our accessories.  
Simply compatible.
